

Lead the Way to Career Success

Pathways To Team Success

Your support makes career growth possible. Partner with your employees to explore BHMT programs that build skills, expand knowledge, and prepare your team for the future of healthcare.

Support Career Growth

Encourage employees to connect with a BHMT Career Development Coach to explore goals, uncover talents, and create personalized career plans.

Promote Continuing Education

BHMT makes learning easy and accessible. Support your staff in earning certificates or degrees that strengthen skills and build confidence.

Cultivate Team Skills

Help your team stay future-ready with BHMT's no-cost courses and bootcamps that develop communication, leadership, and problem-solving skills.

Why Choose BHMT?

Empowering your team to learn through BHMT brings fresh ideas, stronger skills, and renewed energy to your department.

Encourage your employees to use their BHMT benefits to pursue education, expand their skills, and achieve their goals.

Help your employees advance their careers—at no cost to your department.

Our Mission

BHMT's mission is to provide equitable opportunities to engage in personal career management empowering individual learning, growth, and development.
